Terms & Conditions

Payment Terms:

- 75% payable in advance.
- 25% due prior to deployment.
- All charges are exclusive of taxes, bank fees, and payment gateway charges.

Exclusions:

- Costs for third-party module purchases, firewalls, libraries, and cloud servers are not included in the defined costs.
- Any issues with third-party modules remain the responsibility of the third party. If Evozard Team intervention is required, additional charges will apply.

Training and Development:

- All training and development activities will be conducted on the Evozard server.
- Final code deployment and production server setup will occur only after full payment is received.

Support Pack Services:

- Includes only online training and support activities.
- Excludes any new enhancements, customizations, or change requests.

Additional Work:

- Changes beyond the agreed scope will be treated as a separate project with new timelines, effort estimations, and costs.
- New projects or additional work will begin only after the current scope of work is completed.

On-Site Services:

- The client will cover travel, lodging, and boarding expenses for on-site services.
- Travel hours are billable at a 50% discounted rate.

Support Availability:

- Functional Support: Monday to Friday, 10:00 AM to 10:00 PM (IST).
- Technical Support: Monday to Friday, 10:00 AM to 5:00 PM (IST).
